

Bank deposits - print out?

Escrito por johntimber - 17/04/2018 08:44

Hi,

I am wondering if it is possible to get a print out of the bank deposit?

How can I go back in FA to see the list of bank deposits and be able to look at them?

Also, if there is a print out, will it list the company who wrote the check? As the checks are listed, it only shows the GL account, the amount and the dimension, but how will one know which customer wrote the check?

Any help will be appreciated.

I didn't find the right solution from the Internet.
