alone for a long time
Escrito por RiccoOm - 16/08/2021 17:12

I've been alone for a long time and I'm not happy about it. I was looking for a relationship and that's exactly what I needed. How can I do this now?

I used to always worry a lot about this, but I advise you not to get upset and do not stop looking for a new relationship. Only this can really help.
